ROHS

Circuit Diagram

PCB Layout(Pattern side)  
Scale: 1 : 2

NOTE:  
Rating: DC 30V 0.1A  
Operating Force: 40±10gf  
Lifetime: 100,000 Cycles

|     |         |                 |      |                 |                                                                                                                                              |       |           |                          |                          |
